

Why support us?

Our trainers have experience delivering training to professionals and volunteers in areas related to sexual violence, abuse and exploitation. Our trainers are experienced support workers who have supported those subjected to violence and abuse. They are committed to ensuring that professionals receive impactful and informative training delivered through a trauma informed lens.

All proceeds from our training sessions and consultancy goes straight back into running our vital services across Birmingham and Solihull.

At RSVP, we believe that everyone deserves a life free from sexual violence and abuse. We support people who have been subjected to sexual violence and abuse to thrive and enjoy a future of hope and confidence.

“ Delivery was great, really well presented and the trainer is incredibly knowledgeable. ”

Training Packages

These courses start at £500 for up to 20 participants, face to face or online. Courses include:

Supporting survivors of sexual violence and abuse

What is Victim Blaming

Child Sexual Abuse and Child Sexual Exploitation

Introduction to trauma informed approaches

Intersectionality and sexual violence

The sessions are suitable for practitioners working in a variety of sectors who engage with adults, young people, and children. The aims of the sessions are to broaden your knowledge and skills in relation to the impact of sexual violence, trauma and abuse. They will equip you with knowledge of how best to support survivors of sexual violence whether they are colleagues, staff or clients.

Bespoke Training

We can create bespoke training packages for your organisation on a range of topics to meet your individual needs. Our bespoke training sessions offer you the chance to receive impactful and interactive training delivered through a trauma informed lens.

Bespoke Training packages start at £1500 for a full day for up to 20 participants, face to face or online.

Last year **900** professionals were trained by our specialist training team.

How we can help:

Solihull Adult Safeguarding Board Training during regional webinar to over 100 participants.

"I was impressed with how the trainer was able to place the mental wellbeing of all attending at the forefront of the conversation."

Umbrella Sexual Health Safely supporting survivors Training.

"The trainer gave us the space to reflect and access our thoughts on the topic in a safe and comfortable space."

University of Birmingham Male survivors of sexual violence and abuse' training.

"The trainer explained things and related back to real life so the content was fully understood. It was interactive which helped gauge peoples thoughts and views and helped with understanding."

Consultancy

We also offer consultancy packages for organisations in areas such as research, internal staff policies, and training needs analysis. We have consulted on research projects for Universities and research organisations, as well as offering expert advice related to internal policies and training needs for private and public sector organisations.
